# CLASS OF 2020

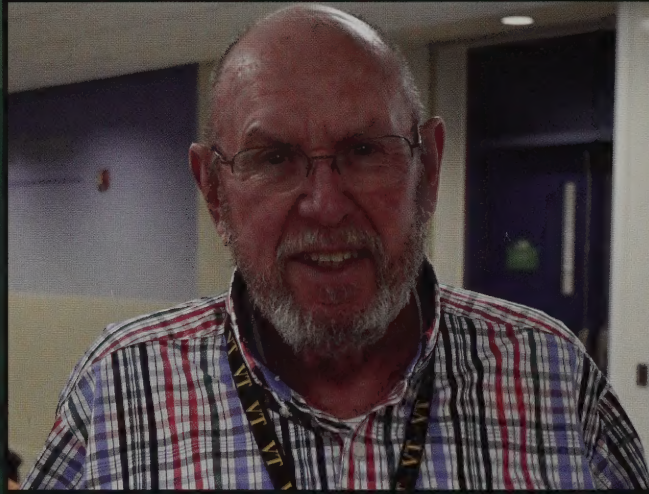

# DEDICATION

## David Hughes

As a 1963 graduate of New Bedford Vocational High School, Mr. Hughes continued to work in the Steam Engineering field for twenty years. Upon his return in 2008, he has served as a substitute teacher and teaching assistant. His hobbies include spending time with his wife and four children, skiing, boating, horses and traveling. Additionally, he volunteers his time in many local communities.

Mr. Hughes is the familiar face we have all grown to love! His infectious smile and positivity has greeted us at the door every morning for the past four years. We adore his outgoing personality and laugh. He is very funny and enjoys dressing up in costumes for the school community. Whether he is issuing detentions or saying “put on your ID”, we all have the utmost respect for him and appreciate all his words of wisdom. Mr. Hughes does not only have twelve biological grandchildren but rather, 515 grandchildren in all of us!

The Class of 2020 would like to honor the man affectionately known as “Grandpa”, by dedicating our yearbook to him for all of his hard work and dedication to the school and community. Thank you for always supporting us at our sporting events and extracurricular activities. We will miss you dearly!

## SUPERINTENDENT-DIRECTOR

**James L. O'Brien**

Congratulations to the class of 2020!

As Superintendent-Director of Greater New Bedford Regional Vocational Technical High School, I want to thank you all for making your "Artisan Imprint" at our school and throughout the community. During your time here, you have received the necessary skills to successfully compete in an ever-changing global economy. Cherish the associations and friendships that you have made here even as you move on to bigger and better things. It is my hope that our school has served you well. I wish you all the very best.

**Michael Watson**  
Academic Principal

**Robert Watt**  
CVTE Principal

Congratulations to the Class of 2020! I am so proud of each of you and all you have accomplished. You have represented Greater New Bedford Voc-Tech well and demonstrated your commitment to our school's core values- preparation, passion, and perseverance.

It is my sincere hope that your high school experience has been a productive and memorable part of your lives. You have likely built lifelong friendships and connections with others. We all need one another to celebrate our successes and help us through our challenges. The friendships you've built can become an important part of your lives as you move forward.

Be reminded of our school's core values – preparation, passion, and perseverance. Challenge yourself daily. Be prepared to work hard to achieve your goals. Use the passion you have demonstrated daily at Greater New Bedford Voc-Tech to do the great things you all aspire to do. Obstacles will undoubtedly arise – but you can overcome them through hard work and an unwavering resolve to achieve success. I believe in each of you and I know that you believe in one another. Never stop believing in yourselves.

As opportunities present themselves, the skills you have acquired and the relationships you have built will lead you forward. Remind yourself that learning never stops – and interacting with one another in a positive, productive manner is essential for future success. I have every confidence that your experiences at Greater New Bedford Voc-Tech have provided the strong foundation necessary for you to achieve your dreams.

Best wishes for continued success!

Congratulations to the graduates of the Class of 2020. Life is about choices and you made a fantastic choice four years ago when you decided to attend Greater New Bedford Regional Vocational Technical High School. Many of you left behind some of your friends to come to this school and you were overwhelmed with the vast campus and a student body of over two thousand. However, you persevered, made new friends and familiarized yourself with our school. You went through the exploratory process and made another good choice when you selected your career and technical area.

During your time here, you worked extremely hard to excel at the rigorous academic criteria and assessments set forth for every student in the Commonwealth. Additionally, you acquired the skills demanded of you by the Massachusetts Career and Technical Curriculum Frameworks. Upon leaving here you will have the skill sets necessary to enter a college or university, as well as be able to compete in an increasingly sophisticated workforce.

I wish you well and hope you continue to work hard and make great choices throughout your life.

## HEADLINES

### A LEGEND LOST

Kobe Bryant and his daughter, Gianna Bryant, are killed in a helicopter crash along with seven others on January 26, 2020. Bryant is widely regarded as a basketball legend for his 20-season career with the Los Angeles Lakers and is the all-time leading scorer in Lakers franchise history.

### FASTEST FINISH

Eliud Kipchoge finishes the Austrian INEOS marathon in 1 hour, 59 minutes and 40.2 seconds. He is the first human in history to run a marathon in under two hours. According to a team of pacemakers who keep up with Kipchoge throughout the ordeal, he runs a pace of 4:33.5 minutes per mile to finish the race ahead of schedule.

### HISTORIC SPACEWALK

Astronauts Christina Koch and Jessica Meir complete the first spacewalk with an all-woman team. This is Koch's fourth space walk and Meir's first. NASA Administrator Jim Bridenstine mentions that NASA's Artemis program is currently working to land the first woman and the next man on the moon in 2024.

### ROLL BACK THE CLOCK

In October, California's Governor signs a bill becoming the first state in the nation to pass legislation that prohibits public schools from starting too early. The bill mandates that middle schools can start no earlier than 8 a.m., while high schools will be prohibited from starting any earlier than 8:30 a.m. Public schools have until the start of the 2022 school year to adjust their schedules accordingly.

## NOTRE DAME DESTRUCTION

A mammoth blaze tears through the Notre Dame Cathedral in Paris, nearly destroying the 850-year-old landmark. The church's wooden latticework roof and iconic spire collapse, but many of the valuable cultural treasures avoid damage with some kept safe at the Louvre Museum. French President Emmanuel Macron would like the Notre Dame Cathedral to be rebuilt in five years, but restoration experts believe it could take 10 to 15 years. More than \$700 million is collected in donations for the reconstruction, including \$100,000 from the University of Notre Dame in Indiana.

## GLOBAL FIRES

Massive wildfires rage on two continents: in Brazil's Amazon rainforest and across Australia. This year the Amazon rainforest experiences the highest number of fires since Brazil's National Institute for Space Research began keeping records in 2013, which burn 2.2 million acres. The Australian bushfires primarily affect the state of New South Wales and 12 million acres are burned as of January 2020. New South Wales is home to Australia's most populous city, Sydney.

## LOST CONTINENTS

Douwe van Hinsbergen—a geologist at Utrecht University in the Netherlands—and his colleagues discover a lost continent known as Greater Adria while studying rocks beneath the Mediterranean Sea. Approximately 140 million years ago, Greater Adria and southern Europe collided, burying Greater Adria in the process. Most of the continent sank beneath what is now Italy, Greece and the Baltics. Analysis of ancient rocks suggests that almost all of Earth's earliest continents might have disappeared, leaving traces behind like certain rocks found on the Alps.

CORONAVIRUS OUTBREAK

# HEARTBREAK

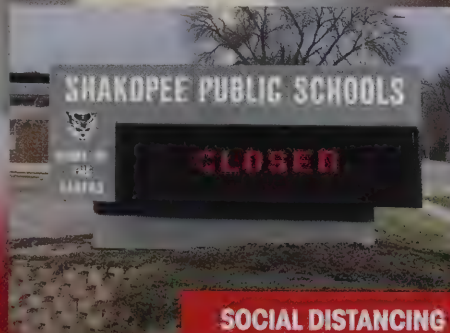

The emergence of a new coronavirus strain in 2019 becomes one of the largest public health threats in recent history. The novel coronavirus causes a respiratory illness called COVID-19 that produces a cough, fever and trouble breathing. After its discovery in China in late December 2019, COVID-19 quickly spreads across the globe with 1.4M total confirmed cases as of April 7, 2020. Efforts to flatten the growth rate of COVID-19, including school closures, result in major changes to everyday life.

## LIFE IN QUARANTINE

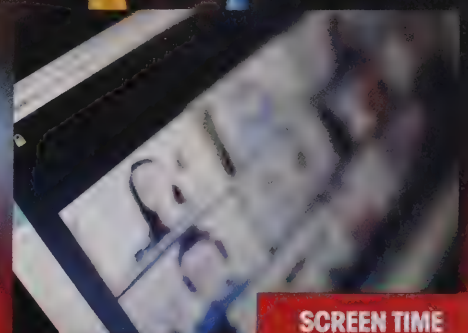

**SUDDEN SHORTAGE**

Stores across the country find themselves with cleaning and sanitary product shortages due to panic buying and hoarding behaviors. One of the most sought-after products is toilet paper.

**SOCIAL DISTANCING**

Restaurants, houses of worship, retail stores, movie theaters, shopping malls, schools and more close in an effort to slow the spread of COVID-19 through "social distancing." In March, President Trump recommends limiting gatherings to less than 10 people.

**SCREEN TIME**

Video conferencing usage increases as people leverage the technology to connect with friends and family.

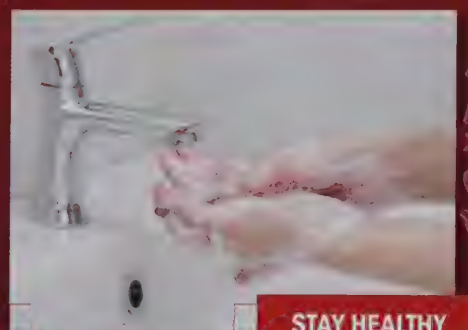

**FLATTEN THE CURVE**

In order to flatten the growth rate of COVID-19, social distancing becomes a way of life for many. Examples of social distancing include avoiding larger crowds and staying 6 feet away from other people.

**NETFLIX & QUARANTINE**

Netflix Party, a Google Chrome extension, lets friends watch Netflix shows together while quarantined apart from one another.

**STAY HEALTHY**

The Centers for Disease Control and prevention instruct people to wash their hands often with soap and water for at least 20 seconds, roughly the equivalent of singing "Happy Birthday" twice.

## SENIOR SADNESS

As a senior, it has taken many of the activities I have been looking forward to since freshmen year. I may not go to Prom, or Grad night, or even walk at my graduation, let alone spend the last 3 months at school with my best friends.

—Teagan Tovsrud / Madera, CA

## WHAT EVENTS ARE YOU CONCERNED ABOUT MISSING DUE TO COVID-19?

Definitely graduation, I want to walk and I want to have people there to support me and see what I've achieved. If we don't have our families there, it just won't be the same.

—Emerald Ramos / Pueblo, CO

I am mostly worried about graduation and my graduation party. I have been looking forward to seeing all of the people that have helped me get to this place and those who will help me succeed in the future.

—Gillian Telfer / Elk River, MN

My senior prom could possibly be canceled, I already purchased my dress and I have been looking forward to it for months.

—Whitney Weyforth / Martinsburg, WV

Graduation and Prom mean a lot to me because I didn't work this hard for 4 years to get nothing out of it. Just walking across a stage and hearing the principal say your name is a big accomplishment for a lot of graduating seniors.

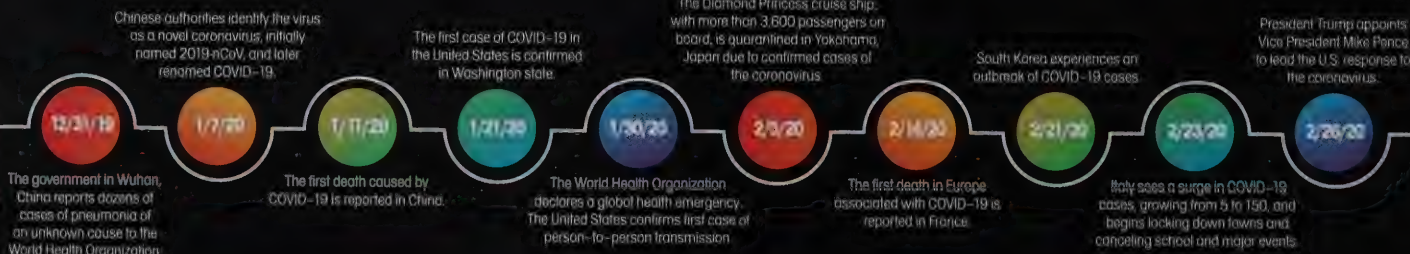

—Alicia Fong / Brooklyn, NY

## VIRTUAL PROM NIGHT

Classmates from Visitation School in Mendota Heights, MN show off their prom dresses online while quarantined at home on prom night.

## TIME LINE OF EVENTS

## HOW DO YOU FEEL ABOUT MOVING TO ONLINE LEARNING?

I understand that virtual learning is necessary, but it makes learning a lot less fun. Interacting with teachers and friends teach you more valuable lessons than you can learn virtually.

-Jacob Engle / Colorado Springs, CO

I initially thought I would enjoy virtual learning, however, it is not as easy as I would have imagined. If I am not begging the WiFi to work, I am resisting the urge to constantly check social media and my messages.

-Elizabeth Jansen / Nappanee, IN

I miss driving to school every morning while jamming to some music.

-Isabella Mulder / Willmar, MN

I actually like it! I can do my homework on my own time and I don't have to wake up so early to do it, therefore, I am more focused.

-Amie Thresher / Colorado Springs, CO

I'm okay with it, mainly because I can stay in my pajamas.

-Nika Lee / Palo Alto, CA

## WHAT ARE YOU MOST CONCERNED WITH RUNNING OUT OF DURING QUARANTINE?

I know it sounds cliché, but toilet paper. The reason being that I can't find toilet paper at any local stores because everyone is hoarding it.

-Lilly Marie Weber / Willmar, MN

I am worried about running out of focus. Doing this at home is great but it gets boring very quick.

-Sydney Lindsay / Madera, CA

Dog food!

-Jessica Washburn / Martinsburg, WV

I'm worried about not having access to my teachers (in person). Yes, emails are a way to stay in touch with them, but there's something about talking to a teacher in person that helps me way more than an email ever could.

-Natalie Salter / Bryant, AR

## HOW HAVE YOU BEEN PASSING THE TIME?

I am doing a lot of puzzles. 3,850 pieces to be exact.

-John Franklin / Lake Elmo, MN

I have been babysitting since some parents still have to work and can't be with their kids all the time

-Fabian Martinez / Chapel Hill, NC

I have been able to catch up on Netflix!

-Celeste Ponce / Madera, CA

I've learned new TikTok dances and tried new recipes/hacks I've always wanted to try.

-Jacqueline O'Moulasy / Merced, CA

# ROOTED IN LOVE

**DESPITE THE  
ADJUSTMENTS DUE TO  
COVID-19, ARE THERE ANY  
POSITIVE EXPERIENCES  
YOU HAVE HAD?**

I would say this has helped me connect with family better. We had a family game night Tuesday and movie night last night. It has helped us come together in a not so good time.

-Kendal Lynn Adams / West Carrollton, GA

Since I've been staying at home, I've been able to hang out with my little brother and become real close with him. I've never realized how funny he was.

-Anthony Bonet / Naples, FL

COVID-19 has made me realize how grateful I am for the simple things in my life, like being able to go to school every day. Even though I sometimes complain about the workload, I never realized how much I would miss going to school until I wasn't able to.

-Elizabeth Stuart-Chaffoo / La Jolla, CA

I have learned to respect what elementary school teachers do every day because teaching my little brother is DIFFICULT.

-Kameron Koehler / Ladson, SC

## WORDS OF ENCOURAGEMENT

WHAT WORDS OF ENCOURAGEMENT WOULD YOU LIKE TO SHARE WITH THE WORLD?

Other generations have had their setbacks and struggles. It seems that our time for them has come and just like our ancestors, we will get through this together. We will come out stronger and more connected than before.

-Brian Miske / Gustine, CA

You can learn something from this time off. Take this time to get stuff you've waited to get done DONE!! Don't take this time for granted. One day you're going to be telling your kids what you did these weeks. Don't have a lame story to share.

-Layten Goudy / Bryant, AR

Try journaling about your experience! I'm sure it'll make for a great story to tell your future family and friends, plus, it helps to get all your bottled up feelings on paper.

-Melissa Harbican / Colorado Springs, CO

Find the silver lining in all of this. I guarantee you can find some good in this abyss of bad. Reaching out to those closest to you is super important if you feel like you're struggling.

-Sydney Scarboro / Westminster, CO
